**Akron Water Main Break Fixed; Boil Alert Lifted**  
*Fairway Boulevard Residents Only Affected Township Customers*

**Twinsburg Township, Summit County, Ohio – February 15, 2013** – The City of Akron late in the evening on Thursday, February 14, 2013, announced that the previously reported water main break in northern Hudson along the main line that travels along Middleton Road and Darrow Road (SR 91) had been fixed. Customers, mostly residential, along both sides of Middleton Road and Darrow Road were affected. The previously issued boil alert has been lifted, meaning that all water flowing through the fixed water main is safe to drink. Questions should be directed to Akron Water customer service at (330) 375-3554.

Although more than 250 City of Hudson and Twinsburg Township customers were affected, the majority of those customers were in the City of Hudson. The only Township customers served by Akron Water and affected by this water main break and this boil alert included 16 homes on the north side of Fairway Boulevard, with the remainder of Township served by City of Cleveland Water/Twin-Keystone Water District (TKWD) or individual wells. Please note that Cleveland Water/TKWD customers were NOT affected by this water main break or this boil alert.

### **About Twin-Keystone Water District**

Twin-Keystone Water District (TKWD) was established in 1966 per Chapter 6119 of the Ohio Revised Code as a regional water and sewer district, per a petition submitted by the Twinsburg Township Board of Trustees. TKWD is governed by Summit County Common Pleas Court Orders issued in 1966, 1967, 1968, 1970, 1979, 2006, and 2012. Formerly known as the Twinsburg Township Water and Sewer District, TKWD is overseen by a seven-member elected Board of Trustees that beginning in 2014 will transition to an appointed Board comprised of five members and two alternates. The purpose of TKWD is to provide a public water supply to the District. TKWD owns water lines throughout the District and currently contracts with the City of Cleveland to supply the water that flows through those lines. TKWD offices are located at Twinsburg Township Hall. For more information, contact Robert S.
