Seven Years running as Township continues to be named “Tree City USA”
Township to Host Arbor Day Celebration on Friday, April 28, 2017

Twinsburg Township, Summit County, Ohio – March 31, 2017 – The Board of Twinsburg Township Trustees is pleased to announce that the Township has once again been named a Tree City USA. This honor recognizes continuing Township efforts to plant and maintain trees on Township properties. In 2010 the Township made history as only the second Township ever in the entire State of Ohio to receive this award, and as of 2015 there are only three Townships in the State to receive the award. Township residents should take pride in the fact that they live in a community where planting and nurturing trees is a priority.

In conjunction with receiving its “Tree City USA” designation, the Board of Trustees will host an Arbor Day Celebration on Friday, April 28, 2017 @ 2:00 PM at the Twinsburg Township Community Garden located at 1669 Twinsburg Road, Twinsburg. The public is invited to attend, with parking in the lot east of the gardens. Attendees will also be able to learn about the proper way to plant a tree, as well as take a “tree tour” of nearby properties, led by Township forester Jason Knowles.

About Tree City USA

The Tree City USA program, sponsored in cooperation with the National Association of State Foresters and the USDA Forest Service, provides direction, technical assistance, public attention, and national recognition for urban and community forestry programs in more than 3,400 communities that more than 135 million Americans call home. The many benefits of being a Tree City include creating a framework for action, education, a positive public image, and citizen pride. More information can be found at www.arborday.org.
