Community Garden Opportunities Expanded for Township Residents

Additional Gardens Added in 2016; Apply NOW; PLOT-tery on May 3rd

Residents will have their choice of gardening at the North Garden (Twinsburg Heights Community Park) or the South Garden (Twinsburg Road), with both located on Township-owned land providing green space for all residents. As in past years, plots will be assigned via a random plot lottery (“PLOT-tery”), depending upon demand.

Community Gardens allow families and individuals the opportunity to grow nutritionally rich foods, and are a great way to bring neighbors together. “It really is a sense of community” said Township Trustee Jamey DeFabio. “You may say hello to neighbors in passing, but Community Gardens really have a way of bringing people together.”

The 2016 Program will provide garden plot opportunities for Township residents, whereby the Township prepares the land, accepts and reviews applications, and assigns plots via a random plot lottery (“PLOT-tery”). The only Program requirement is Township residency, and a fee of
