**Township Senior Transportation Program Continues**  
*METRO; Township Continue Cooperative Arrangement*

**Twinsburg Township, Summit County, Ohio – March 19, 2018** – The Board of Twinsburg Township Trustees once again voted unanimously to re-authorize the Township Senior Transportation Program for 2018. The Township Senior Transportation Program pays for METRO SCAT trips whereby the Township agrees to pay the cost of METRO SCAT trips for Township residents meeting METRO SCAT age and/or disability requirements, with a 2018 benefit of up to \$80.00 per participant (up to 40 trips at \$2.00/trip). To participate, an applicant must complete an application, verify Township residency, and present a valid METRO SCAT card. To remain in the Program a participant must agree to comply with METRO SCAT Policies & Procedures and reimburse the Township immediately for any unused or improperly used previously distributed tickets.

The Akron Metropolitan Regional Transit Authority (METRO) was established in 1969 – after a period that saw street cars, trackless trolleys, and even double-decker buses running through a rapidly growing Summit County. County voters first passed a property tax levy to support METRO in 1972. Ensuing years saw facility construction, fleet upgrades, fixed route expansions, and establishment of SCAT, a personalized, pre-arranged, origin-to-destination transportation for older

adults and persons with disabilities. Today, using customized vehicles and specially-trained drivers, METRO SCAT transports nearly 400,000 passengers each year. More information about METRO and METRO SCAT can be found at [www.akronmetro.org](http://www.akronmetro.org).

The Township Senior Transportation Program began in 2011 as a way to facilitate Township resident access to existing senior transportation services. In response to Township resident requests, the Board of Trustees established the Program to defray Township residents' costs to utilize the METRO SCAT service offered by METRO RTA. METRO SCAT provides dial-ahead, door-to-door transportation services for Summit County residents who meet METRO SCAT age (62+) and/or disability requirements. The Board of Trustees is pleased to be able to facilitate Township resident access to this existing and outstanding senior transportation service.

Program application forms and other 2018 Program information, including a link to the METRO website, can be found on the Township website, [www.twinsburgtwp.com](http://www.twinsburgtwp.com), under Departments – Seniors, and at Township Hall at 1790 Enterprise Parkway, or by calling (330) 425-4497.

### **About Twinsburg Township**

Twinsburg Township was founded in 1817, had a population of 2,828 in 2010. Twinsburg Township is home to an unparalleled combination of rich history, abundant natural resources, outstanding parks, well-planned neighborhoods, thriving businesses, and top-notch institutions.
