**Nine Years running as Township continues to be named “Tree City USA”**  
*Township to Host Arbor Day Celebration on Tuesday, April 30, 2019*

**Twinsburg Township, Summit County, Ohio – April 25, 2019** – The Board of Twinsburg Township Trustees is pleased to announce that the Township has once again been named a Tree City USA. This honor recognizes continuing Township efforts to plant and maintain trees on Township properties. In 2010 the Township made history as only the second Township ever in the entire State of Ohio to receive this award, and as of 2019 there are only three Townships in the State to receive the award. Township residents should take pride in the fact that they live in a community where planting and nurturing trees is a priority.

In conjunction with receiving its “Tree City USA” designation, the Board of Trustees will host an Arbor Day Celebration on Tuesday, April 30, 2019 @ 4:45 PM at the Twinsburg Township Heights Community Park located at the east end of Rugby Street, between Eton and Buchtel Streets, just west of Hadden Road. The public is invited to attend, with plenty of on-street parking on Buchtel, Eton, and Rugby Streets. Attendees will also be able to learn about the proper way to plant a tree, as well as how to maintain newly planted trees, led by Township consulting forester Jason Knowles.

### **About Tree City USA**

The Tree City USA program, sponsored in cooperation with the National Association of State Foresters and the USDA Forest Service, provides direction, technical assistance, public attention, and national recognition for urban and community forestry programs in more than 3,400 communities that more than 135 million Americans call home. The many benefits of being a Tree City include creating a framework for action, education, a positive public image, and citizen pride. More information can be found at [www.arborday.org](http://www.arborday.org).

### **About Twinsburg Township**
