“It’s nice to provide our residents and businesses with a fresh website and easy access to all that the Township has to offer” said Trustee Chair James Balogh. “Township staff will provide timely updates on what is happening at any given time. It provides us with another tool to communicate with our residents.”

The Township’s updated website is intended as a vehicle to bring accurate, timely, and understandable information to Township residents, businesses, and visitors. The updated site already contains everything there is to know about what is going on in Twinsburg Township, including meeting information, Township services, utility contacts, and links.

In the coming months the Board of Trustees looks forward to finding more ways to use the updated site for its intended purposes.
