Twinsburg Township is “Worth Every Click”
Township Launches First New Website in Nearly a Decade

Twinsburg Township, Summit County, Ohio – September 17, 2010 – The Board of Trustees is proud to announce the launch of the new and improved Township website, which can be found at the same, familiar address, www.twinsburgtwp.com. The Township’s new website represents the culmination of more than a year of research, vendor evaluation and selection, website design, and content population by Township officials and employees. The Board of Trustees is confident that the new site will be more useful than its predecessor, and that its design will accommodate easy and frequent updates. Rest assured that the new site’s launch is only the beginning of what the Board of Trustees hopes to be many positive changes to come.

The Township’s new website is intended as a vehicle to bring accurate, complete, timely, and understandable information to Township residents, businesses, and visitors. The new site already contains everything there is to know about what is going on in Twinsburg Township, including meeting information, Township services, utility contacts, and links.

In the coming months the Board of Trustees looks forward to finding more ways to use the new site for its intended purposes. Input is welcome from anyone with ideas or suggestions about how to help make this happen. Also, users are encouraged to check the new site often, as the Board of Trustees will do its best to make each visit “worth every click”. In the meantime, users can receive news as it is posted on the new site by clicking “subscribe” under Township News.
