Tone Up With the Township!

The Tone Up with the Township Program provides up to 50% offset to the membership fee of designated recreation or fitness center membership fees up to a maximum of \$250 per year per township resident address. To apply, you must reside in Twinsburg Township, be eighteen years of age or older, and you must complete the Tone Up Application at the Township Hall (during normal business hours) prior to registering at the designated fitness center. The benefit is not available for previously purchased memberships. Once your completed application has been processed, a check is issued by the township made payable to the designated fitness center in an amount determined by Schedule I –Twinsburg Fitness Center, Schedule II- Macedonia Recreation Center, Schedule III – Powerhouse Gym – Twinsburg or Schedule IV LifeCenter Plus – Hudson (see below), which details the township portion of payment and the required resident payment. Once the township check is available, you would take it to the designated fitness center to register, paying a portion of your membership fee with Tone Up (township) money. All other fees would be the resident’s responsibility.

Please allow seven (7) business days from date of application for payment processing.

The Fiscal Officer reserves the right to reject applications, if the requirements of the program are not met.
