Tone Up with the Township!

**Twinsburg Township
Recreation & Fitness Center
Membership Program**

Township Residents may choose between the Twinsburg Fitness Center or the Macedonia Recreation Center. Based on the Schedules below, a check will be issued for the appropriate Center, within 7 business days, and the remaining portion comes from the resident. (A \$40 Registration Fee for Twinsburg Fitness Center will be assessed to all new participants, with the exception of annual memberships. This fee shall be the resident's responsibility.)

The Twinsburg Township Board of Trustees has worked diligently over the past few months to bring the following options in Recreation to Township Residents. **“Tone Up with the Township”** provides up to 50% off the membership fees of designated recreation or fitness center membership fees, up to a maximum of \$250 per year per township residential address.

You must complete the “Tone Up Application” at the Township Hall during normal business hours. This benefit is not available for memberships that were previously purchased. Verification of Township Residency must be provided with your application (drivers license, voter registration card, utility bill). Once the application is completed and all requirements are met, a check will be issued in the amount determined by Schedule I (Twinsburg Fitness Center) or Schedule II (Macedonia Rec Center) and made payable to the Center you have chosen. Please allow seven (7) days for application & payment processing. You must be eighteen years of age or older to apply. The Township Fiscal Officer reserves the right to reject applications if, in her opinion, the requirements of the program are not met.

Schedule II-

Macedonia Recreation Center
