**Township Christmas TREEcycling Program Now Underway**  
*Free Service for Occupied Residential Properties*

**Twinsburg Township, Summit County, Ohio – January 10, 2012** – The Board of Twinsburg Township Trustees is pleased to announce that the Township's first-ever Christmas TREEcycling Program is now underway for the 2011-2012 winter season. Collection by the Township Service Department will begin this week and end next week, weather permitting.

The Township currently offers Christmas tree collection services free of charge to Township residential properties. A property must, however, have a house on it in order to receive this service. The Service Department collects Christmas trees during a one-week period, generally beginning during the second week of January. For the 2011-2012 winter season, collection will begin on *Thursday January 12* and end on *Tuesday January 17*, weather permitting.

No application is necessary to receive this service, but residents are asked to follow a few simple guidelines to help keep this service cost-effective and efficient for all. Program guidelines cover issues such as service dates, tree placement, prohibited materials, and more. 2012 Program information, including Program dates and guidelines, can be found on the Township website, [www.twinsburgtwp.com](http://www.twinsburgtwp.com), under Departments – Service, as well as at Township Hall at 1790 Enterprise Parkway, or by calling (330) 425-4497. This information can also be accessed by clicking on the “Christmas TREEcycling” button on the Township website’s home page.

### **About Twinsburg Township**

Twinsburg Township was founded in 1817, had a population of 2,828 in 2010, and will soon celebrate its bicentennial with great pride.
