Twinsburg Township Hall to Close to Public; Suspends Programs & Non-Essential Meetings
COVID-19 Update

Twinsburg Township, Summit County, Ohio – March 16, 2020 – The Twinsburg Township Board of Trustees is continuously monitoring information provided by local health and State government officials. With the mandatory closures of schools and businesses, and with the need to keep social contact to a minimum, Twinsburg Township Hall will be temporary closed to the public until further notice, effective Wednesday, March 18, 2020. Staff will report to work for regular business hours, with residents and businesses asked to make contact with Township Hall through phone (330) 425-4497, email, or by visiting the Township website (www.twinsburgtwp.com) for forms and information. A list of contact information can be found on the Township website at www.twinsburgtwp.com/ContactUs.aspx.

Twinsburg Township Hall was scheduled to be a polling location for voters on Tuesday, March 17, 2020, but Governor DeWine, on Monday, March 16, 2020 postponed in-person voting until June 2, 2020. Twinsburg Township offices were already scheduled to be closed on Tuesday, March 17, 2020 and will remain closed on that day as scheduled.

At this time applications for the Township Recreation Center Program will be accepted but will be held for further review on a case-by-case basis. Many eligible centers either have closed or have limited access to their facilities, so checks will be issued for closed centers once they reopen. Applications for Zoning Certificates will be accepted by email or mail, and can also be sent to Twinsburg Township Hall, 1790

Enterprise Parkway, Twinsburg, OH 44087. Any issues pertaining to roads or other service concerns should be called in to Township Hall.

The Board of Trustees has also suspended the usage of Township Hall for any non-government official use, including Home Owner Association (HOA) meetings until further notice. All essential Township meetings will continue at Township Hall. Twinsburg Township Trustees will continue to closely monitor updates from local governments, and pass that information on to our residents and businesses. In the meantime, we remind everyone to take the simple steps of washing your hands, staying home if you feel sick, and limiting travel and exposure to large groups of people. We thank the public for its understanding, and we look forward to a prompt return to normal life for all.

Current information and updates on the COVID-19 virus can be found with the Summit County Public Health Department (www.scph.org), the Ohio Governor's Office (www.governor.ohio.gov), and the Centers for Disease Control and Prevention (www.cds.gov)
