**Township Solid Waste Collection Delayed by One Day in Some Areas**

*Kimble Companies Completes Tuesday, July 2, 2019, Collection on Wednesday, July 3, 2019*

**Twinsburg Township, Summit County, Ohio – July 3, 2019** – The Township learned late on Tuesday, July 2, 2019, that a substantial number of households did not have solid waste collected on that day. After reporting missed areas to the Township’s contracted hauler, Kimble Companies, it became apparent that the problem was not only widespread, but also a repeat of what had occurred a month earlier, on Tuesday, June 4, 2019.

Upon investigation, Kimble advised that operator issues had caused the problems and committed to resume and complete collection of missed areas on Wednesday, July 3, 2019. Kimble confirmed completion of collection in missed areas late on Wednesday, July 3, 2019. Kimble also apologized to the Township and all affected residents for the (recurring) problems and committed to avoiding future similar and other problems.
