2.76 Mill Road and Bridge Levy Headed to Ballot
Twinsburg Township to Seek Additional Continuing Levy

Twinsburg Township, Summit County, Ohio – November 1, 2016 – Following many meetings of deliberation and discussion over Township Service Department finances and budget projections, as well as previous related action on July 26, 2016, the Board of Twinsburg Township Trustees at its August 9, 2016 meeting unanimously approved Resolution No. 70-16, to submit a 2.76 mill continuing additional road and bridge levy to the Summit County Board of Elections for placement on the November 8, 2016 Election Ballot. Service cost increases, personal property tax elimination, and State reimbursement phase-outs are among many factors that led to the Board’s decision to place the issue before Township voters. Without additional funding the Township will have decreasing resources to allocate among increasing Township operating, programming, and capital project costs.

The Board of Trustees seeks to provide ample and accurate information to Township voters before they weigh in on this issue. Complete information about the ballot issue and reasons for it can be found on the Township website, www.twinsburgtwp.com, under Current Programs, Issue 38 / Levy Central. More information about the Township Service Department is available on the Township website, www.twinsburgtwp.com, under Departments, Service, as well as at Township Hall at 1790 Enterprise Parkway, or by calling (330) 425-4497.
