Summit County Sheriff Hosts 2016 Event

Twinsburg Township, Summit County, Ohio – April 15, 2016 – The Board of Twinsburg Township Trustees is pleased to announce that the Summit County Sheriff will host the 2016 Safety Town(ship). For the third consecutive year, the 2016 Safety Town(ship) will take place at Wilcox Primary School and other locations on Monday, June 13, 2016 through Friday, June 17, 2016, and from 8:45 AM to 11:30 AM on each day. 2016 Safety Town(ship) application and other program information is available on the Township website, www.twinsburgtwp.com, under Current Programs, as well as at Township Hall at 1790 Enterprise Parkway, or by calling (330) 425-4497. Completed applications will accepted at Township Hall through Tuesday, May 31, 2016.

Safety Town(ship) is a multi-day summer safety program intended for children who will be entering kindergarten in the upcoming (2016-2017) academic year. Children who attend Safety Town(ship) are provided with instruction on a variety of safety topics, which may include, but not be limited to animal safety, bicycle safety, electrical safety, fire safety, gun safety, litter prevention, railroad safety, school bus safety, stranger danger, tornado safety, utilizing 911, and water safety. Children will greatly benefit from the school environment and classroom settings. Teaching safety to children at a young age, and reinforcing it as they mature, helps to empower children and adults that safety knowledge stays with them for the rest of their lives.

The 2016 Safety Town(ship) program is open to all, and will be offered at no cost to Township residents. The Board of Trustees is pleased to be able to cooperate with the Summit County Sheriff, who provides policing services by contract to Twinsburg Township, on the hosting of this great event. Township residents are encouraged to apply soon for this popular event.
