Special (extra) Township Branch Chipping Scheduled
Free Service for Occupied Residential Properties

Twinsburg Township, Summit County, Ohio – November 8, 2017 – The Board of Twinsburg Township Trustees is pleased to announce that a Special Branch Chipping round is scheduled for the Tuesday, November 28, 2017. Due to the recent storm that struck the area, many residents are busy cleaning up their yards, and placing branches curbside. This will be a one-time special service, beginning on Tuesday, November 28th, and continuing until the entire Township is cleared. Service Department crews will collect from each Township street only once, residents are encouraged to have branches out prior to the Tuesday 7:00 AM pick-up, and to follow a few simple guidelines for service. Place all branches in neatly stacked piles, no greater than ten-inch diameter, and keep all branches out of any roadside ditches. Please do not mix branches with leaves. Weather permitting, regularly scheduled leaf collection will take place the following week.

No application is necessary to receive this service, but residents are asked to follow a few simple guidelines to help keep this service cost-effective and efficient for all. Program guidelines cover issues such as service dates, restrictions, placement, prohibited materials, and more. 2017 Program information, including Program dates and guidelines, can be found on the Township website, www.twinsburgtwp.com, under the Current Programs tab, or Departments, Service, as well as at Township Hall at 1790 Enterprise Parkway, or by calling (330) 425-4497.
